I understand my Dear Sir that there is a Vacancy
of Barrack-Master at Fort George in Scotland by the
Death of — Davy —

If the Appointment is in the War Office
allow me most earnestly, for the Reasons I suggested
Yesterday, to Request your Interest in Favour
of John Lees —

This Appointment will set him down towards
the End of Life in his own Country, after a Residence as
Barrack-Master of more than Seventeen years in
Newfoundland to which Country he finds himself unable
to Return.

I am my Dear Sir

Your faithful humble Servant
