Hello Sam & Co. I have not heard from you  
 since I came over. This is Sunday the best  
 next day in a way. I don't get out in  
 the sun. I have Rheumatism in my right foot  
 next best sometimes. Can't get to work at all  
 hardly, don't get out for about a month  
 yet. I come over. If it does not get well  
 soon I have to go home as I can't walk any  
 distance at all. I saw some of my  
 friends down in the garden a couple  
 of times. Let them know they were not  
 out as much as they did. Was in to  
 the first two weeks were here but  
 they have a hard home & had to get  
 and exercise every day. I'm writing  
 the one my balls. It's too early to  
 eight up yet. Boy they are having a hell  
 of a time over in labor, and it is  
 getting worse instead of better.  
 It's worse the British got  
 plenty Henry & I did a bit work  
 were in to see me the other night  
 they were down to a wedding. They both  
 look very well.  
 See Sam to sitting off one of  
 his business. Has too much on his  
 hands. I expect Mark has a business of  
 his own. Bill some second in formation  
 he to look I think so had here a gang  
 round his door night & day. Did not  
 get any news worth while for some  
 of my legs soon. I'll go home before  
 should have really started home. Charles  
 told me to think well before I come over  
 to look for a bed with garden in  
 did you all for that matter. Any way  
 I'll push get back after a few weeks  
 more. I'm having a nice time but  
 I find getting on the Busses.  
 The of don't give you much time to  
 all. Charles is pretty good
